

Access MAP Scores Online

1. Log on to <https://reports.nwea.org/>
2. Type in your Username and Password
3. In the sidebar under Online Reports select Class Rosters.
4. Select the current term, type of report (you should only need text) and comparison period. (Fall to Spring gives you all their scores.)
5. Click on the student ID# to view the report.

Please view these online during conferences instead of printing a second copy.
